It's in 10 min, and is apparently about the schedule/process for the Ph5 report. I'll give you a rundown later- great how we do things, eh?

Ayn,

Sussman call this AM? Wow. OK. Nobody ever gave me a date/time.

I can call you later this morning if you have time to talk. Let me know when you are available.

any time Wed am is fine. Do you have an updated schedule for the Phase 5 report that updates the version I did that gave everyone a coronary? My management is interested in seeing the schedule before the call with Sussman this am. I hear you're on vacation so won't bother you, but would really like to catch up soon- hope you manage a little R&R.

Do you have time to talk about potential EPA reviewers for the internal review of the USGS Pavillion data report? We need to respond to the USGS (Dave Mott) with suggestions by Wed., 25 July and I wanted to give everyone a chance to discuss potential options. Does Wed AM work for you around 10 AM EDT (9 CDT, 8 MDT; I'm not available after noon EDT). Let me know your availability and I'll schedule a call.
